Ms B. 7. 6 v. 13 no 1

Dear Friend,

If any letters
come to the A.S. Office
for Mrs Chapman or
ourselves will you have
the kindness to send
them to the Post Office.
As we shall not be
in town very often it
would not be best
for them to remain till
called for at the office.

We were much
obliged to you for
forwarding Miss
Chapman's letter.

I trust you are had
a good time at Lynn
& I am eagerly waiting
for the Liberator to hear
all about it.

In myself I am just
beginning to struggle with
the responsibility of the

Liberty Bell by writing
to this one & three
to whom Mrs Chapman
was prevented from
writing previous to her
departure. I hope you
are cogitating over your
article, for I want all
contributions in early
stage I may be sure
to have it ready by the
fall time. I shall need

twice the time
necessary for Maria.
The Convention here went
off very well. I never
heard Mr Pillsbury when
he was more convincing
& eloquent. W. W. Brown
too was very successful
yes very truly

Friday Morning.
